11.2 In addition to requirements under clause 11.1, any decision of the Authority to provide financing to the First Nation after the financing authorized by the First Nation's first Borrowing Law is conditional upon receipt by the Authority of a Financial Management System Certificate issued to the First Nation and a copy of the Board's report prepared in respect of that certificate under section 50(2) of the Act, if the First Nation did not have a Financial Management System Certificate when it became a Borrowing Member.

12.0 PAYMENT BY THE FIRST NATION

- 12.1 Upon completion by the Authority of any financing undertaken pursuant to a Security Issuing Council Resolution, the First Nation shall, at a time that the Authority requests, issue the Promissory Note to the Authority.
- 12.2 The Promissory Note shall be signed on behalf of the First Nation by the Person named in a Security Issuing Council Resolution. The Promissory Note shall provide for payment by the First Nation to the Authority of the amounts required to meet the obligations of the Authority with respect to each of its borrowings undertaken pursuant to the First Nation's Borrowing Law and applicable Security Issuing Council Resolution.
- 12.3 The Promissory Note shall be dated and payable in Canadian dollars and shall set out the schedule of repayment by the First Nation of the principal amount together with interest as shall be determined by the Authority.
- 12.4 The obligations under a Promissory Note shall bear interest from the date specified therein, which date shall be determined by the Authority, and shall bear interest at rates to be determined by the Authority.
- 12.5 The obligations incurred under a Promissory Note as to both principal and interest shall be payable in such manner and at such time or times as determined from time to time by the Authority and as provided for in the Promissory Note.
- 12.6 The First Nation shall in each fiscal year after a Promissory Note has been signed provide in its annual budget for payment of all amounts payable to the Authority during the fiscal year to which its annual budget applies.
- 12.7 Payments shall be made to the Authority in accordance with the Act and the SRTA Management Agreement of such sums as are required to discharge the First Nation's obligations in accordance with the terms of a Promissory Note, provided that if sums provided for in the Promissory Note are not sufficient to meet the obligations of the Authority in relation to the issuance of securities to raise the funds requested by the First Nation, any deficiency in meeting such obligations in the Promissory Note shall be a liability of the First Nation and shall be paid to the Authority from the Secured Revenues Trust Account. If there are insufficient funds in the Secured Revenues Trust Account to meet these additional obligations the First Nation shall pay any remaining amounts to the Authority.
- 12.8 If the First Nation's requested repayment term for a borrowing described in a Borrowing Law does not match the term for debt securities issued by the Authority to provide for the First Nation's borrowing, the First Nation may, by way of a Council Resolution, authorize the Authority to use a derivative product to fix the loan interest rate for the full repayment term, or if no such Council Resolution is provided to the Authority, then the First Nation's loan will be refinanced by the Authority as needed to meet the First Nation's desired term of repayment set out in its Borrowing Law. Any refinancing described in this clause shall take place at the Authority's calculated interest rate in issuing new securities at the time of the refinancing.

- 12.9 In the event the First Nation wishes to prepay the amount owing under a Promissory Note the prepayment shall include the full amount of the principal and interest due on the maturity of the Promissory Note, or another amount as calculated by the Authority to fully discharge the First Nation's obligations and any additional cost incurred by the Authority in relation to the prepayment.
- 12.10 The parties acknowledge that the Authority will fund advances of Interim Long Term Financing to the First Nation by the issuance of bankers' acceptances in the Canadian bank market or by the issuance of commercial paper in the Canadian capital markets. The First Nation may not prepay any amount of Interim Long Term Financing unless such prepayment is made on the maturity date of the bankers' acceptance or issue of commercial paper utilized by the Authority to fund the applicable advance of such Interim Long Term Financing, and the amount of such prepayment is sufficient to repay the relevant bankers' acceptance or commercial paper in full.
- 12.11 All payments by the First Nation to the Authority shall be made to the Authority on the due date as set out in the Promissory Note, or if the due date is not a Business Day then on the next Business Day.

13.0 DIRECTION TO PAYOR

- 13.1 The First Nation shall, at such time that the Authority requests after passage of the Borrowing Law, direct all accounts, debts, claims, future cash and other payments and monetary obligations including any proceeds thereof due to it by Payors be paid into the Secured Revenues Trust Account, to be made available as security for repayment of the loan by the Authority to the First Nation.
- 13.2 On receipt of a request by the Authority pursuant to clause 13.1, the First Nation shall, as promptly as reasonably practical, send a Direction to Payor, substantially in the form attached hereto as Schedule "C", to each of the Payors.
- 13.3 Within five days of receipt of the Direction to Payor acknowledged by a Payor, the First Nation shall forward the Direction to Payor to the Authority.
- 13.5 The First Nation hereby undertakes to do such other things and sign such further instruments as may from time to time be required by the Authority or the SRTA Manager as relate to the establishment and management of the Secured Revenues Trust Account and collection of the Other Revenues used by the First Nation to secure financing from the Authority for a Purpose .
- 13.6 In the event that, notwithstanding clause 13.1, there is a deficiency in meeting the obligations of First Nation under a Promissory Note, such obligations shall be a liability of the First Nation to the Authority and the Council shall make due provision to discharge such liability in accordance with clause 12.7 of this Agreement.

14.0 SECURED REVENUES TRUST ACCOUNT

- 14.1 The Secured Revenues Trust Account shall be established substantially, on the terms provided for in the Act.
- 14.2 Payments from the Secured Revenues Trust Account to the Authority and the First Nation shall be made in accordance with the Act, this Agreement and the SRTA Management Agreement.

15.0 DEFAULT BY THE FIRST NATION

- 15.1 The occurrence of any one or more of the following events or conditions will be a default under this Agreement:
- (a) the First Nation defaults on a payment owing to the Authority under this Agreement, a Borrowing Law, Security Issuing Council Resolution or Promissory Note;
 - (b) the First Nation fails to comply with the Act in any material respect;
 - (c) the First Nation defaults in the observance or performance of any of the terms, conditions or covenants to be observed or performed by the First Nation under this Agreement;
 - (d) the First Nation or a Person on its behalf made a representation, warranty or statement to the Authority that was untrue in any material respect at the time it was made or deemed to be made;
 - (e) the First Nation defaults in payment of any indebtedness to any Person other than the Authority, or defaults in the performance of any term, provision or condition created in any agreement under which that indebtedness was created or is governed, where that default would allow that Person to cause the indebtedness to become due prior to its stated maturity, or any such indebtedness is declared to be due and payable other than by a regularly scheduled payment;
 - (f) the First Nation commits or threatens to commit any act of bankruptcy or becomes insolvent;
 - (g) the holder of a security interest delivers a notice of intention to enforce its security or take possession of all or any part of the First Nation's property, including the Secured Revenues Trust Account or any part of it, or an execution or other process of any court becomes enforceable against the First Nation;
 - (h) in the opinion of the Authority, a Material Adverse Change has occurred;
 - (i) the First Nation terminates, alters or fails to carry out the terms of the SRTA Management Agreement;

- (j) subject only to the termination provisions therein and notwithstanding its irrevocability, the First Nation terminates, alters or revokes a Direction to Payor;
 - (k) the First Nation fails or refuses to exercise its rights and remedies to enforce payments to it or to the Secured Revenues Trust Account on its behalf of revenues payable to the First Nation by a Payor in accordance with the obligations of such Payor under an agreement, contract or other instrument with or in favour of the First Nation under which the First Nation receives Other Revenues used to secure financing from the Authority for a Purpose;
 - (l) the First Nation fails to report Other Revenues to the Authority as required by the Act; or
 - (m) the First Nation transfers, assigns, grants a security interest in or further encumbers, substitutes or modifies any of its rights in relation to any agreement, contract or other instrument under which the First Nation receives Other Revenues used to secure financing from the Authority for the Purpose, without the written consent of the Authority.
- 15.2 If a default under clause 15.1 occurs the Authority, in its sole and absolute discretion, may declare all or any part of the First Nation's obligations under this Agreement, a Promissory Note or the SRTA Management Agreement immediately due and payable, without any further demand or notice of any kind.
- 15.3 Notwithstanding anything in this Agreement, no use of the Debt Reserve Fund or payment by other Borrowing Members to replenish the Debt Reserve Fund following a default by the First Nation on a loan payment to the Authority relieves the First Nation of its obligations under this Agreement, a Promissory Note, the SRTA Management Agreement or the Act.
- 15.4 If a default under clause 15.1 occurs, in addition to any other remedies the Authority has under the Act or this Agreement, the Authority may take one or both of the following actions under section 86 of the Act:
- (a) request the Board to conduct a review and make a report to the Authority of the reasons for the First Nation's default, including any recommendation for an intervention under section 52 or 53 of the Act; or
 - (b) require the Board to either (at the Board's discretion) impose a co-management arrangement on the First Nation or assume third-party management of the First Nation's Other Revenues under section 52 or 53 of the Act.
- 15.5 Notwithstanding any other provision of this Agreement, the Board may, at its discretion, give notice to the First Nation under section 52 of the Act requiring the First Nation to enter into a co-management arrangement in respect of the First Nation's Other Revenues if, in the opinion of the Board, there is a serious risk that the First Nation will default on an obligation to the Authority.

- 15.6 In addition to any other remedies or obligations under the Act or this Agreement, where the First Nation defaults on a loan payment to the Authority under clause 15(1)(a) and that default leads to a reduction in the Debt Reserve Fund which other Borrowing Members are called upon to replenish, payments shall be made to the Authority from monies in the Secured Revenues Trust Account in order to repay amounts to other Borrowing Members who have been called upon to replenish the Debt Reserve Fund, together with amounts on account of investment income that would have been earned on the amount of the First Nation's default and any costs incurred by the Authority. If there are insufficient funds in the Secured Revenues Trust Account to meet these additional obligations the First Nation shall pay any remaining amounts to the Authority.
- 15.7 In each year following a default by the First Nation that led to the reduction in the balance of the Debt Reserve Fund, the Authority shall send to the Council a notice imposing a charge on the First Nation in an amount required to repay amounts outstanding after payment from the Secured Revenues Trust Account under clause 15.6.
- 15.8 Upon receipt of the notice from the Authority sent under clause 15.7, the First Nation shall forthwith pay to the Authority the amounts set out in the notice.
- 15.9 Upon receipt of payments from the Secured Revenues Trust Account under clause 15.6 or payments made by the First Nation under clause 15.8, the Authority shall pay to each of those Borrowing Members who have been called upon to replenish the Debt Reserve Fund a share of monies received from the First Nation proportionate to the amount of the total replenishment of the Debt Reserve Fund paid by each such Borrowing Member.
- 15.10 The First Nation agrees that all costs and interest incurred by the Authority as a result of a default by the First Nation under clause 15.1, including all fees and disbursements paid by the Authority to its solicitors and counsel and any other Persons in connection with advising the Authority with respect to a default by the First Nation, enforcement of this Agreement and collection of monies owing, shall be payable by the First Nation to the Authority forthwith from the Secured Revenues Trust Account. If there are insufficient funds in the Secured Revenues Trust Account to meet this obligation the First Nation shall pay any remaining amounts to the Authority.

16.0 REPAYMENTS FROM DEBT RESERVE FUND

- 16.1 Where upon default by another Borrowing Member that led to a reduction in the Debt Reserve Fund, the First Nation has contributed to replenishment of the Debt Reserve Fund, any repayment to the First Nation under section 84(6) of the Act shall be reduced by an amount equal to the repayment monies received from the Authority under clause 15.9.

17.0 INDEMNITY

- 17.1 The Authority does not agree to undertake or assume any responsibility or duty to the First Nation to select, review, inspect, supervise, pass judgment upon, or inform the First Nation of any matter in connection with a Purpose; the First Nation shall rely entirely upon its own judgment with respect to such matters; and any review, inspection,

supervision, exercise of judgment or supply of information undertaken or assumed by the Authority in connection with such matters is solely for the protection of the Authority and neither the First Nation nor any other Person is entitled to rely thereon.

17.2 The Authority shall not be responsible or liable to any Person for any loss, damage, liability or claim of any kind relating to injury or death to such Person or damage to any Person's property caused by the action, inaction or negligence of the First Nation.

17.3 The First Nation shall indemnify and save harmless the Authority from and against all claims, demands, actions and costs that arise out of the performance by the First Nation of any matter related to a Purpose, the SRTA Management Agreement or this Agreement or by reason of any matter or thing done or omitted to be done by the First Nation or by its employees or agents in connection with their performance in relation to the Purpose or the assignment or this Agreement, whether occasioned by negligence or otherwise. Such indemnification shall survive termination of this Agreement.

18.0 ENFORCEMENT OF THIS AGREEMENT

18.1 Nothing in this Agreement or any procedures or remedies in this Agreement shall prevent or restrict the Authority from exercising or relying upon any other legal or equitable remedies or procedures available to the Authority in addition to any remedies or procedures in this Agreement, in relation to enforcement of this Agreement or a Promissory Note.

19.0 SHARING OF INFORMATION

19.1 The First Nation consents to the sharing of information that it may provide to the Authority and Board between those institutions as may be required by them to carry out their duties, responsibilities and functions under the Act or as may be required in relation to this Agreement, and further acknowledges and consents to the disclosure of such information to such third parties in the financial industry by the Authority as is reasonably necessary for the Authority to engage in the issuance of securities, secured by the First Nation's Other Revenues.

20.1 No provision of this Agreement and no breach by either party of any such provision will be deemed to have been waived unless such waiver is in writing signed by the party that has not committed the breach.

23.0 SURVIVAL OF WARRANTIES AND REPRESENTATIONS

23.1 All representations and warranties contained in this Agreement shall survive the execution and delivery of this Agreement and shall be deemed to have been made again to the Authority on the date of each loan by the Authority to the First Nation and shall be conclusively presumed to have been relied on by the Authority regardless of any investigation made or information possessed by the Authority.

23.2 The representations and warranties set forth in this Agreement shall be cumulative and in addition to any other representations or warranties which the First Nation shall now or hereafter give, or cause to be given, to the Authority.

23.3 Notwithstanding anything to the contrary contained herein, clauses 17, 18, 21, 23, 24 and 25 shall survive the termination of this Agreement in accordance with its terms.

24.0 SEVERABILITY

24.1 If any clause or portion of any clause in this Agreement is determined to be unenforceable or invalid for any reason whatsoever, that unenforceability or invalidity shall not affect the enforceability or validity of the remaining portions of this Agreement and such unenforceable or invalid clause or portion thereof shall be severed from the remainder of the Agreement.
